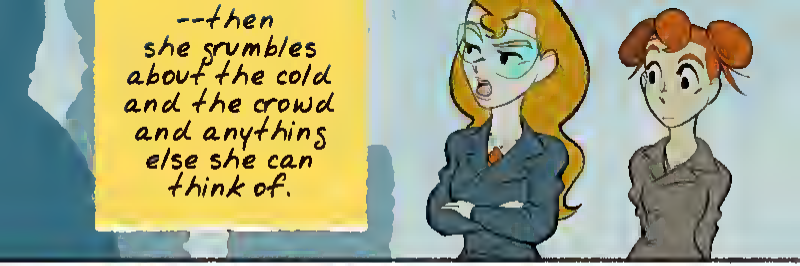
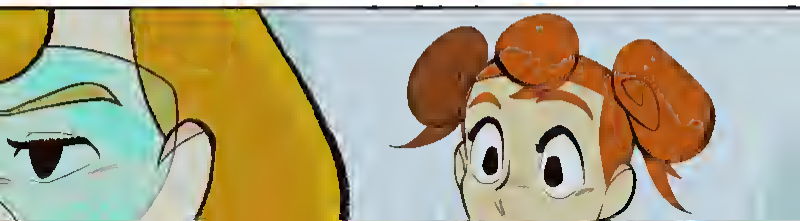
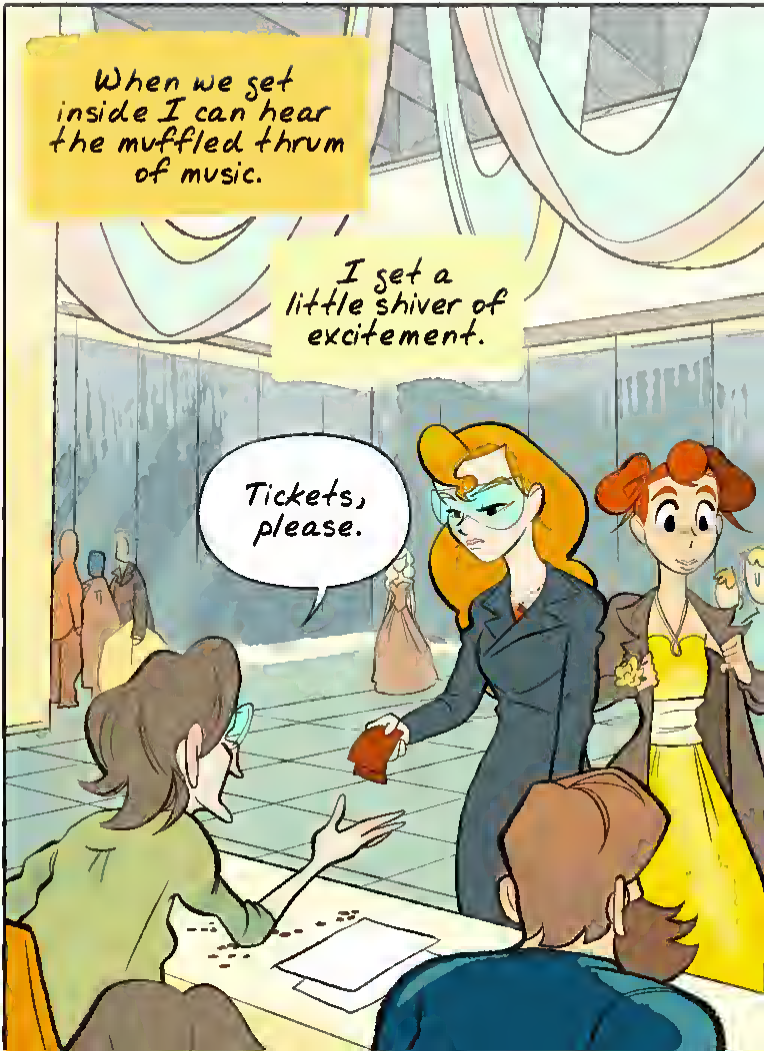
There's a line to get into the dance.
Cassie grumbles about the wait--



I ask her if she's nervous about talking to David and she says no.



I can tell by her flavor she's lying--
--both to me and to herself--
--but I don't mention it.



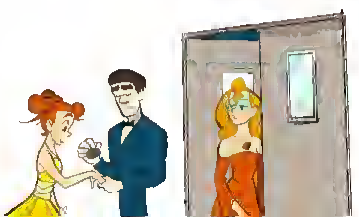
When we get inside I can hear the muffled thrum of music.
I get a little shiver of excitement.
Tickets, please.

We've hired a photographer if you want your photo taken.

Also, I can check your coats.

CLIP!

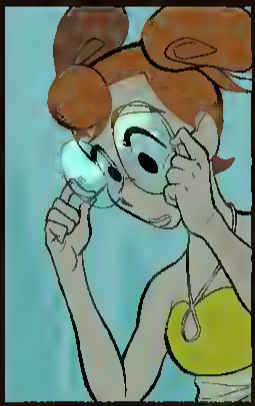
They stamp our hands with a special ink that only shows up under blacklight, and finally we're allowed to go in.

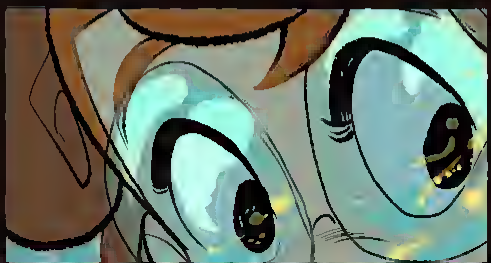


Whoa--
What kind of music is this?
Glitchbeat, I think.

Or maybe subtronica.
Ive never heard of it, but it makes me want to dance!
You should put your net gear glasses on.
Why?

Because you're missing the light show.





Wow...
Orbs of light pulse with the music and bounce off people's bodies.

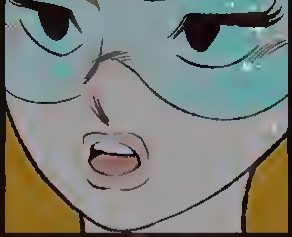
If you dance fast enough, you can leave an afterimage.

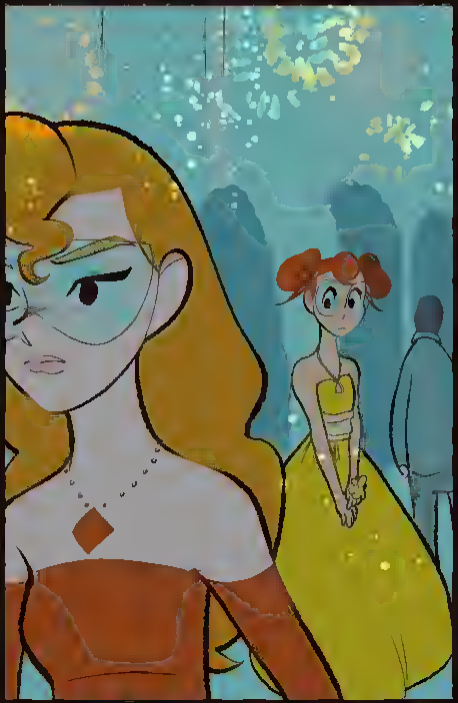
Everyone is wearing their coolest mage mods.

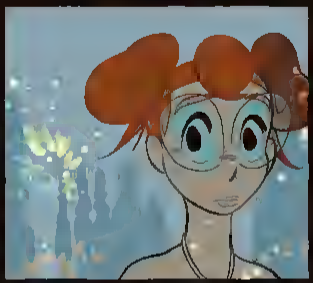
Everyone,

I notice, except Cassie.

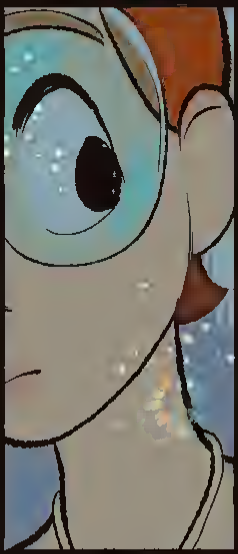
I'm going to talk to him.
Want me to come with you?
No.
I have to do this alone.







Good luck.



Amy!

SP
Hi Schafer!
Why aren't you dressed up?
I--
Have you seen Tammie?
Not since

yesterday...
Oh gosh...
This can't be happening.
What's wrong?
Tammie is--
Uh--
She's missing.

What?
She was at school this morning--
I saw her!
The bell rang and she said goodbye...
She said we'd have lunch together...
But

EI Art

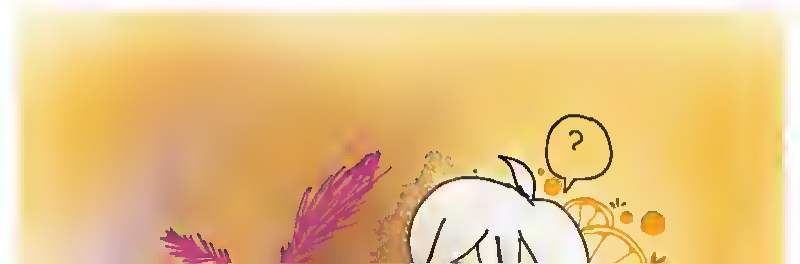
"i have made some fanart for ye and ye fandom
it is gueen amy being hot

ps: you should get someone to make a fanfic
about oliver's surgeon dad (?) sewing feet onto
amy :V"

Ha ha--
That would be hilarious!

Jessica

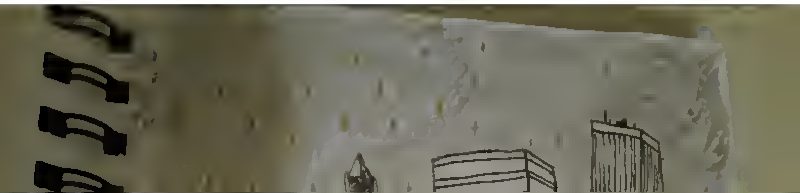
"I really love all the characters especially Oliver and Amy ^-^"

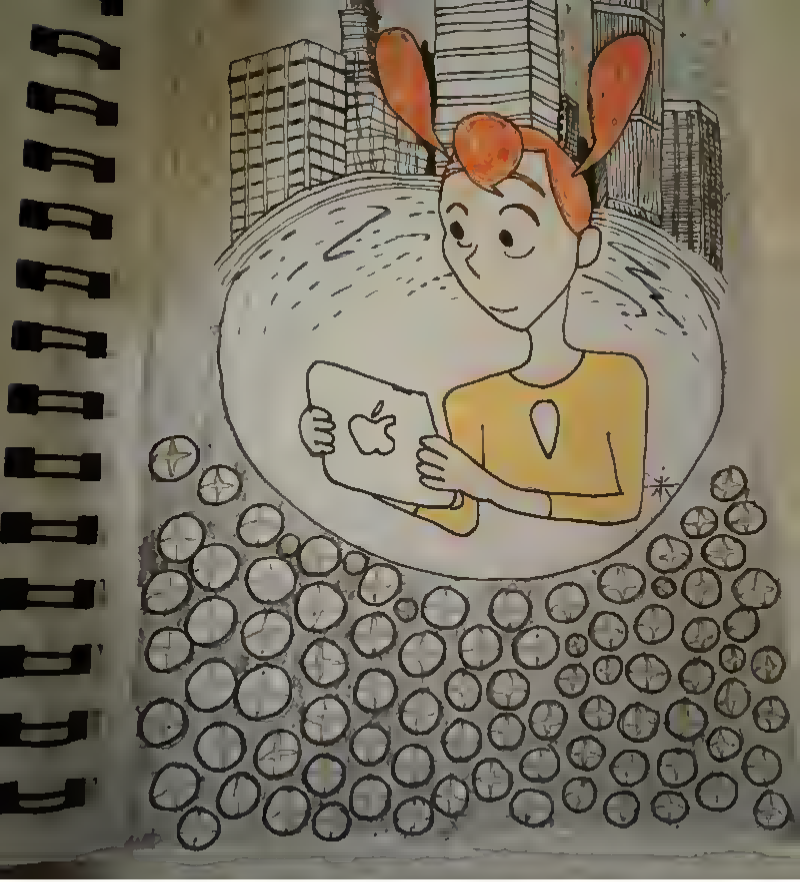


I love how you can see their flavors in the background colors-- very cool!

Ikyo Oma

"Your story is very inspirational and down to earth to me because I can relate to Amy having to move away from her friends just like I had to."





Moving is hard--
I moved

Luna

"I just turned 14 on March 11 but I'm still not very good at art compared to others. Though I'll

keep trying until I become someone to look up to like you! I hope you like it! =^.^="
